NOV 22 ... Virginia and the surrounding area are so rich in history, as we travel back to the 1700's in our visit to Williamsburg, first Capital of the Colonies. We will tour the Governor's Palace, Old Bruton Parish Church, the Capitol, and the shops of artisans and craftsmen. Lunch is a treat in one of the historic restored Taverns on the Duke of Gloucester Street. Tonight is a highlight as we transfer to Busch Gardens to experience a holiday wonderland of entertainment and attractions, holiday shopping, treats and twinkling lights. Joy, laughter and cheer are in the air at Christmas Town. **(B,L)**
